Gave Up Hope

"I suffered five years, with awful pains, due to womanly troubles," writes Mrs. M. D. McPherson, from Chadbourne, N. C. "They grew worse, till I would often faint. I could not walk at all, and I had an awful hurting in my side; also a headache and a backache.

I gave up and thought I would die, but my husband urged me to try Cardui, so, I began, and the first bottle helped me. By the time the third bottle was used, I could do all my work. All the people around here said I would die, but Cardui relieved me."

TAKE CARDUI The Woman's Tonic

For more than 50 years, Cardui has been relieving woman's sufferings, and making weak women strong and well. During this time, thousands of women have written, like Mrs. McPherson, to tell of the really surprising results they obtained by the use of this purely vegetable, tonic remedy for women.

Cardui strengthens, builds, restores, and relieves or prevents unnecessary pain and suffering from womanly troubles. If you are a woman, begin taking Cardui, today.

of all city prisoners were made to the city by the court.

Becoming tired of the arrangement as it developed, the city council cancelled the agreement September 5 last by giving a thirty day notice to the county court, which notice was required by the agreement. The first of October the city water works and sewerage board gave a further notice to the county court that a rental of \$140 a quarter would be made for the water furnished the court house, jail and sheriff's residence, and that a bill for that amount would be rendered at the end of the quarter. This bill was rendered but it was rejected by the court.

Thursday morning the water works and sewerage board again presented the bill for payment, but it was again refused and at noon the water was turned off from the court house.

Resulting from the action of the water board, the county court is taking council as to whether city prisoners may be refused admission to the county jail.
